Principal Of CHS

A Very Busy Man

Our Retiring Teachers

Mr. Sherman Tatum
Coach
And
Agriculture
Teacher

Mr. Donnie Sistrunk Guidance Counselor And History Teacher

It is with pleasure the students of Converse High School welcomes the opportunity to dedicate this Volume of

THE WILDCAT

to

MR. SHERMAN TATUM

and

MR. DONNIE SISTRUNK

Mr. Tatum taught students to enjoy life and to love and respect each other. He always had a word of greeting, usually in a joking way, for each student. His motto was-''do the best you can, play the game fair, and give credit where credit is due.''

Mr. Sistrunk is appreciated for his efforts in guiding students to discover and develop their ''Godgiven talents.'' He taught students good citizenship and insisted that when they graduated from high school they should further their education or get a job to support themselves and their dependents. Many parents and graduates of Converse High School are grateful for his help in acquiring financial aid and scholarship for students to further their education and many cases getting jobs for graduates.

May each of you have a happy and successful retirement and May God Bless You Converse High School

Champions Return To Converse

GIRLS' SOFTBALL TEAM

Determination and desire are the two words that describe the Converse Girls' softball team. Coach Larry Patrick set their goal at the beginning of the season "to win the state tournament" It seemed that this goal was an impossibility as the girls went into the Regional tournament with five wins and ten losses.

However, this team came together in the Regional Tournament and beat Benton High School and Doyline High School to gain the honor of meeting Stanley High School in the finals of the Regional. Stanley was defeated nine to eight. They were now eligible for the

State Tournament to be held at Denham Springs.

At Denham Springs their first opponent, Spring Creek, was easily defeated (21-10). In the semi-finals Pickering High School was defeated five to zero. In the final game, Simsbora High School was defeated eleven to ten. The Converse girls brought home the first "State Trophy" since the boys' basketball team won a State Trophy in 1945. Converse is proud of this girls' softball team.

CONGRATULATIONS!!!
